

# The Sports Corner

By DOUG McLELLAN

**YOUTH CURLS TODAY:** The roaring game of curling has never been known as a young man's game in this country but things are changing rapidly. In the recent Porcupine Annual Bonsel the team coping the second prize in the second event consisted of four youths just out of their teens. The quartet, skipped by Bill Longworth and ably aided by Bill Pearce, Jim Hall and Pete Douglas made things hot for all comers, young and old. In true youth style, the rink didn't wear the ordinary curling togs but donned colorful sports shirts for the event.

**N.O.H.A. PLAY-OFF:** Carlo Cattarello's Junior B entry in the N.O.H.A. play-offs managed to push aside the Geraldton crew last weekend but they knew they were in a battle before the final whistle had sounded. The South Enders had little trouble in the first game of the goals-to-count series as they walked away with an 8-4 verdict but the second game was a horse of a different color, for a few anxious moments at least. Half way through the second contest the Cattarello-Quesnel crew found themselves on the short end of a 5-1 count and thus all tied up on the round. Then the roof fell in for the Geraldton aggregation as the South Enders pumped home no less than nine goals with only one weak reply from the losers. The win gave the victors the right to meet Rouyn in the next round for the N.O.H.A. laurels.

**JUVENILE:** The local juvenile play-offs got under way this week with Timmins Lions meeting the South End Tee Pees and the Combines tangling with the Schumacher Lions. The general opinion is the South End Tee Pees will win everything in a walk again this year but don't be too sure of that. In the first round they meet the Timmins Lions a team that has already given them a bad beating this year. Should they survive this series they will be faced with the Schumacher Lions, a team that is a long way from a push-over. The Schumacher entry only managed a tie with the League Leaders this year but anything can happen yet as the Schumacher kids are just starting to hit their top form. In any case if you want to see some first-class hockey be sure and take in the double-header at the Mac tomorrow night with the four top teams in action.

**PLAY-OFF PATTERN:** Although you could never tell by the weekend performance he turned in, Elvon Kavanagh, fancy deke-artist of the Porkies, was playing last Saturday night's game with a terrific headache. The speedy Kavanagh was bothered all through the game by a toothache and had to have it extracted right after the game. The hardest bodycheck dealt out in some time was thrown Johnny Kovich by hard-hitting Neil Pirie the other night in South End. Kovich was out like the proverbial cucumber and was never the same after it. Lou Mathieu, rugged Hollinger rearguard got out of bed to play in last Saturday's game. The former Eskimo was bedded down with the flu and it was very doubtful right up to game time whether or not he would play. Stew Pirie was another doubtful starter for last Saturday's game but he too refused to sit on the sidelines. Pirie injured his back in Wednesday night's game and had considerable trouble with it for a day or two. A surprising highlight of the Greenshirts stand has been the work of blueline basher, Dino Narduzzi. An in-and-out player all season, Narduzzi rose to great heights in the play-offs and deserves a large slice of the credit due to the Greenshirts.

## A "Miracle" Save Saved The Day

By DOUG McLELLAN

Well, we certainly are on the spot now. By the time you read these lines the local senior championship will have been decided as the Porkies and Hollinger fought it out last night. But right now we don't know about the outcome. To be perfectly frank with you we were all set to tell you about the Porkies winning the crown at the McIntyre on Monday night, but Jackie Young's crew didn't see things that way, and so the series had to go to the limit before an eventual winner.

### Die Hards

One thing that can be said about those Greenshirts is that they are a club that doesn't know when the are beaten. The odds were very much against them right from the opening whistle but they didn't see it that way.

There were fans who bet that they wouldn't win one game let alone force the series to the limit. Then last Saturday they absorbed a 5-0 shellacking from the South Enders and fans thought that they were going to attend the funeral of the Greenshirts at the Mac on Monday. They were down and practically out but up they got and bopped the powerful Porkies.

Alex Brownlee was the big stumbling block in the upset as he blocked rubber from all angles. The big break of the game was when he made the save on Ross Richardson in the dying minutes of the last stanza.

With the scoreboard at 4-3 for the Greens, Richy walked in on Brownlee and only a "miracle save" by the aging veteran saved the day. Hollinger then potted another one to salt it away.

But getting back to last night's game, we will still stick with the Porkies to cop the crown, but just between you and I, we are not quite so sure of a Porkies win as we were on other occasions, as those Greenshirts don't know when they are beaten.

### HAND ME THE AXE

The boys at Mountjoy, drawing water from the river, through the holes in the ice, at various points. Between 3:00 and 5:00, there are sometimes seven or eight boys lined up at one hole.

They will have to use the axe this afternoon. The mercury dropped from zero to thirty below during the night.

### LEROUX GETS OFF

Judge R. A. Denis squashed the drunk driving charge laid against Lucien Leroux, whose case had been appealed before the Cochrane court. Mr. Leroux has previously been sentenced to ten days by Magistrate S. Atkinson, of Timmins.

### TCAC Rangers Beat Bruins As Hundreds Attend G.L. Carnival

Several hundred attended the winter carnival at Gillies Lake rink on Sunday afternoon. Despite cold weather, there was a large turnout of competitors and during the afternoon many adults saw at least part of the show, according to the TCAC, the sponsors.

In the boys midget hockey league game, New York Rangers defeated Boston Bruins 3-2.

### Eskimo's Frozen Out

The carnival started with a girls' broomball game, in which the Polar Bears froze out the Eskimos 6-4.

Judges for the races and competitions were Mrs. R. Yourt, Mrs. A. Valade, Miss Jean Doljac, Miss Maureen Coombes and Miss Carmen Mayrand.

Art Eby, Percy Blakemore, Armand Valade, Nick De Tullio, Harry Martin, Jo Ann Irvin and Don Taylor also assisted in managing the carnival.

TCAC Director, R. E. Sturgeon expressed his thanks to the officials who helped direct the afternoon's activities.

## HIGH LOWDOWN

By D. Hindson

Happenings At T. H. & V. S.

How do you do, friends. I greet you after a week's absence which was beyond my powers to correct.

To those who might wonder what I have been doing I might say that I have just spent a very enjoyable few days, like a sultan prince of the orient.

Surrounded by beautiful girls, reclining on soft pillows, listening to sweet music, having people urge chocolates and sweet drinks upon me, inhaling the alluring pleasant scents of beautiful flowers, I have been having a wonderful time.

If I wanted anything I merely had to pull a string at my elbow—all in all it was luxury and pleasure at its best. No one so much as mentioned homework assignments, or said you have to do this or you have to do that—it was great!

### One Thing Wrong

There was only one thing wrong with this resort, the skiing was no hang—but they made it so interesting just eating, sleeping and visiting that I never wanted to go skiing.

The amazing thing about this place was the cost. For those mercenary people (aren't we all with Easter coming up) I am happy to relate that all this cost me only my appendix!

Seriously, though, I would like to thank one and all who have been so good to me in so many ways this past week. The nurses at the hospital were wonderful as are also all the people that have come and visited me and made the time pass so quickly—Yes gals I'll be back at school in a couple of days—Gee I feel sick all of a sudden.

I would also like to thank all the teachers that have expressed such an interest in the job at hand. I will be back to avail myself of your services in a couple of days.

I haven't been able to get down to the high school very often this week so I will have to sketch any news in a rather brief and hasty fashion, however here goes.

### SENIOR BASKETBALLERS ON RAMPAGE

Timmins High and Vocational School seniors have been unbeaten since their second game this season. Their accumulation of amazing victories was climaxed last week-end with a 66 to 53 victory over North Bay in the Bay. This sounds encouraging as the Bay squad are reported to have beaten Timmins' rivals, Kirkland Lake. Timmins suffered their only loss in the league this year to the powerful Kirkland squad. The recent win over North Bay makes the situation sound hopeful, when Timmins will meet Kirkland once again about March the tenth.

I'm sure the much improved Timmins team will be able to give Kirkland a good go this time. Talk is up concerning the hiring of buses to take the students to see the game. It's a good idea keep it up. A team always plays better when it is well supported.

### LOCAL SKIERS PLACE

Timmins High and Vocational skiers captured three firsts at the Halleybury Northern Ontario meet two weeks ago.

Norm Lillie received a first in "A" class slalom. Barry Brewer came first in "C" class jumping and downhill.

Congratulations, fellows. Last week-end Garth Brillinger pulled off two seconds, in jumping and down hill at the North Bay meet. Congratulations.

If all this isn't enough, there will be Porcupine Ski Club championships held this week-end. These races are open to all ages and classes, the only stipulation being that you belong to the club. Lets see you all out.

The following week-end there will be the Winter Carnival races so will in all one can see that February and March are the skiers months.

Local girls bemoaning the fact that boyfriend skiers have not been around the last few weekends, may take consolation in the fact that the races the next two weeks will be held in Timmins and vicinity. We urge these fair damsels, however, to take compassion on forementioned friends as they should be in by ten o'clock so as to keep in training!

## Kiwanis Achieve Much: Thanks Sent By Many

(Continued from Page One)

part in the welcoming of these New Canadians, but they supplied the bibles on which the new citizens took the oath of allegiance. Accompanying the bible was the oath taken by the applicant, and each new citizen was presented with the bible used in his case. Although, as pointed out by Past Lieutenant-Governor W. O. Langdon, new citizens had to go to Cochrane to receive their citizenship papers, the general feeling was that the plan could be worked here, until such time as there is a new judicial district.

### Grateful to Kiwanis Club

Vice-President P. H. Lapointe, who was in the chair for the day, in the absence of President Geo. Knowles, read a couple of letters from local mothers grateful for the kindness and help given to crippled children. In writing to chairman W. Rinn, one mother wrote: "I want to sincerely thank you or what your wonderful club has done."

### Highest Standing for Year

The achievement committee report submitted by G. A. Macdonald, showed that last year Sudbury headed this division for the first quarter and Sault Ste. Marie for the second quarter with Timmins a close second for these two quarters. For the last two quarters, Timmins club had the highest standing in the division, and its percentages for the whole year gave it first place for the year as a whole. The standing for January of this year was 90.9, full points being won for all activities, attendance and membership being the only two departments less than 100 per cent.

### Kiwanis Bonsel

When reference was made to the annual Kiwanis bonsel at Peterborough, Reg. Smith was asked to arrange for a rink to represent Timmins at the event. Last year Timmins was represented by a rink including Reg. Smith, Geo. Lake, Dr. Lee Honey and Geo. Drew.

### Visitors For The Day

Chairman Bob Nelson, of the reception committee, introduced the guests, the first two named being Kiwanians. They were: Charles Rowntree, West Toronto and Jack Becker, Toronto; and Major R. Yuell, of the Algonquin Regiment. The latter received a specially rousing reception because of the kindness and co-operation that has always been shown the Kiwanis by the Algonquians.

Ted Bartlett led the community singing for the day, with Secretary W. H. Wilson at the piano.

### PATIENCE IS A VIRTUE

We all know days when nothing seems to go right. And too often in the heat of the moment we are prone to say or do something for which afterwards we will be sorry. How much better to take things a little easier... make decisions a little more slowly. You'll be surprised how your patience puts other people at ease... creates a friendlier feeling. Try it! Patience under trying conditions is further proof of your "Good Citizenship".
