## This Is What Attracts Tourist Trade

—S.N.S. Photo

An old-timer once summed up his ideas of Canadian summers like this: "A vacationer's paradise, and a businessman's dream." And if his summary is correct, this might well be the biggest summer in the Dominion's history. Millions of visitors will come to Canada this year for fishing, boating and to look at pretty scenery, seen above. And they'll leave behind close to even more millions' worth of that valuable commodity—U.S. money.

### TIMMINS

#### Curtis — Jackson

A very pretty wedding was solemnized on Saturday May 27th at 2:30 p.m. in the First United Church, Timmins by Dr. W. M. Mustard, when Thelma daughter of Mr. Harold Curtis and the late Mrs. Curtis of Timmins, became the bride of Kenneth W. Jackson, son of late Mr. and Mrs. J. W. Jackson.

The church was the scene of spring with mixed spring flowers decorating it. Miss Sue Meadows played the wedding music and Miss Mary Zudel sang "Because" during the signing of the register.

The bride was given in marriage by her father, and she looked lovely in a conventional bridal gown of white satin, trimmed with french lace. It was princess style with a long train of scalloped lace. Her veil was of white tulle caught with a cap of white lace. She carried a bouquet of lilies of the valley, and was wearing a cameo pendant, the gift of the groom.

She was attended by Yolande Fournier whose beautiful gown was of French blue satin. Queen Ann style, and a matching blue satin picture hat, she carried a bouquet of mixed spring flowers.

The bridesmaids were June Blow and Shirley Harris and were gowned identically of French blue satin with matching picture hats and carried a bouquet of mixed spring flowers.

Best man was Lawrence C. McGregor and the ushers were Victor Nelson and Clemins.

A reception was held at the Masonic Hall. Pouring tea were Mrs. Taylor, assisted by Theresa Pitre and Eleanor Trebilcock.

The bride and groom later, left for a trip to the United States. For travelling the bride wore a navy gabardine suit with a hat of white straw, trimmed with multi-color flowers and an orchid corsage. On their return they will reside at 55 Toke St. Timmins.

### THE SOURCE OF

# Top management

Here is a typical bank manager—43, married, with a growing family. He is active in community affairs. When he joined the bank as a junior, he was 17, just out of high school. He soon moved up. By his late twenties he was accountant in his branch.

He worked hard. All the time he was learning about banking, about Canada, too, in various branches, different areas... learning to know people—their hopes, fears, problems—the importance of the human factor.

At 36 he was branch manager. Now he has another, larger branch. And his way to advancement is still open. His general manager started as a junior, too... and carried with him to the top the business experience and human understanding gained along the way.
