Volunteer Honoured

A big farewell party for Stan Pearce who is leaving this week for Aylmer, was held on Saturday night in the Fire Hall. It was given by the Fire Department to honor one of the fire department members who has been probably serving the town as a volunteer fireman longer than other member.

For thirty years he has been the "pump-man" who, at the first sound of the horn has run to "man the pumps." He is fond of saying that in all thirty years he has not attended one fire!

But his work at the pumps was one essential of our Brigade's efficiency. At the party Wm. Farren, Fire Chief, commented on the fact that it will be very hard to replace him.

Stan was presented with a purse as a farewell gift, and hearty good wishes of all his fellow firemen.

Also resigning from the department were Ron Mensfield, (who received a travelling bag) and Clarence Anderson (a purse).

A social evening followed the presentation.

Each guest presented Shirley with a personal gift, but a group gift of a purse was a special presentation.

Girls present included: Margaret McNeil, Della Perosini, Wendy Cross, Ann Bennett, Sheila and Evelyn Robinson, Jean Burgess, Donna Laffin, Myrtle McGinn, Lorna Miller, Ann Kovach, Mrs. Govan Blake, Yole Philippo, Barbara Scott, Gloria Denny, Gen Doherty, Jeannine Morin, Shirley Ramberg, Mrs. J. Mr. and Mrs. Ken Smith of Crawford Street, and Mr. Herb Hatton went fishing in German Township on Monday afternoon. While at the lake they saw a young animal come down to drink. It was crying in a pitiful manner, and one of the men imitated its cry. The little thing came towards them and allowed itself to be petted and put into the back of the truck and covered with blankets.

It was cold and hungry and evidently lost its mother. The fishermen concluded that the mother moose must have died or been shot, so brought the little thing into town with them. While here they tried to feed it with some success. It stands less than three feet high and looks like a very young calf.

The Game Warden came in on Tuesday and took over.

Last reports are that it is doing well, and when quite strong and able, will be sent to some Canadian zoo or the C.N. Exhibition.
