**No. 68.** The **SIMPSON** Company **190**  
 Robert Limited.  
**TORONTO, - CANADA.**

**DIRECTORS:**

**DIRECTIONS TO ENSURE SATISFACTORY SHOPPING BY MAIL.**

**HOW TO ORDER**

1. Write your order plainly (using our order form if you have one) giving name (Mr., Mrs., or Miss), Post Office and Province. Always state amount of money enclosed, and how you wish goods shipped, whether by Express, Freight or Mail. Cash must accompany all orders. Always write your order with ink. No goods laid aside unless paid for. We do not send goods out on approval. See our guarantee, paragraph No. 7.

**HOW TO SEND MONEY**

2. Send money by Express Order when possible, or by Postal Note, Post Office Order or Bank Draft. When impossible to secure any of these, send by registered letter. If you send cheque have it marked "Payable at par in Toronto." Do not send silver for small amounts; Send Postal Note, if possible; if not you may send postage stamps.

**NO NAME ORDERS**

3. We frequently receive orders with no name or address. In some cases we can obtain the name from the enclosure, but are not always able to do so.

**MAIL SHIPMENTS**

4. Always allow plenty of money for postage. If there is any balance it will always be returned—whilst if there is not sufficient sent we will be obliged to delay your order writing for it.

**Rate of Postage—FOURTH CLASS MATTER—**Postage, 1 cent per ounce or fraction of an ounce. Limit of weight, 5 lbs. Limit of size, 30 in. long by 1 ft. wide by 1 ft. deep. Orders weighing over 5 lbs. may be put in two or more parcels.

**Registration—**We register all packages over one dollar in value when amount is allowed. Registration fees, 5 cents. We will duplicate without expense to you any registered package which may not reach destination.

**EXPRESS SHIPMENTS**

5. Express is the best way to ship goods of considerable value and medium weight. In most cases packages under 25 lbs. in weight go cheaper by Express, over that weight by Freight. Rates will be given you by your Express Agent, or write us for them. Express Companies guarantee safe delivery of all packages carried by them.

**C.O.D. Shipments—**We will send goods by express C.O.D. (collect on delivery), if one-fifth of the amount of order is enclosed. We deduct from bill amount remitted, and you pay express agent balance upon delivery of goods. But we prefer full amount with order; collection charges will then be avoided. See our guarantee, paragraph No. 7.

**FREIGHT SHIPMENTS**

6. For large, heavy shipments Freight rates are always lower than Express rates, but goods will be longer in transit. It will pay you to make up a large freight shipment, if you can wait a few days longer for goods. (See Par. 13—Club Orders.)

**Freight to Order Shipments—**If there is a bank in the place to which goods are shipped you may remit us one-fifth the amount of order, and we will collect balance through Bank. When you pay balance to Bank they will give you the order to obtain the goods from the railway company. But by remitting full amount of order you run no risk and save collection charges.

If goods are damaged when received, sign for them in that way. Goods shipped to a flag station must be shipped charges prepaid. Always allow sufficient for this in your order.

**GUARANTEE**

7. We guarantee all goods equal to Catalogue representation and description, and if unsatisfactory we will cheerfully exchange for other articles or refund purchase price (if returned in good condition), except articles mentioned in Paragraph 10. What we say about our goods is truthful and accurate, and every order is filled by careful, intelligent, experienced buyers, whose object is to please you.
