

that most of our friends are dead I was sorry
 to hear that ant Agar ad so much trouble
 in her family but they are all gone only
 M^r Bends Daughter left I should like to know
 if ant Betsy is a live yet Dear sister I hope
 you will not neglect to write to me and
 let me know all particulars about your family
 how good they are I should much like to see
 you all but this cannot be. My eldest Daughter
 has two fine boys their names John Henry
 George Hardy Hall Ann my second Daughter as
 a little girl her name is Mary so I must
 conclude and remain your affectioned
