

2005

A black and white photograph of a window with white shutters. The window is a double-hung style with a white frame and is set against a dark, textured wall. The shutters are open, revealing a view of trees outside. To the left of the window is a decorative white pillar with a fluted shaft and a decorative top. A small, dark rectangular sign with the number '2005' is mounted on the pillar. The overall scene is captured in a high-contrast, grainy black and white style.
