

girls would like to express a popular vote of approval and thanks to Mr. F. O. Soughton for his kindness and consideration in making these dances possible. Don't forget, you boys, the 'Grape Vine' informs us that there are quite a few new musicians here, so come on, you Jive Hounds! How about joining in and making the dances a still bigger success.

WELCOME

We would like to extend greetings to Robert Turner and Bill Allen, both with the C.P.R. as telegraphers -- a welcome addition to our thriving community. Bob is taking over the day shift and bill the night shift. From now on we're practically assured of 24-hour service.

Welcome, too, to Delores Humby who recently joined the Fraser-Brace Staff.
