

AT THE RECREATION HALL

Movie nights at the Recreation Hall are Monday, Tuesday, Friday and Saturday. On Wednesday and Thursday, the Hall's facilities of billiards, ping-pong, chess, checkers and card games are available to all comers. Educational films are shown every Sunday evening.

All movies start at 7:30 p.m. and in view of the large attendance, we advise everyone to come early.

Since our shows started last November, we have had 9476 paid admissions at our week-night movies while 4490 have witnessed our Sunday-night films -- a total of 13,966.
