

DOMINION CATERING DOINGS

Although our new Butcher Shop at the Upper Camp has been opened for some time, we did not mention it. The men who prepare the meat and keep the place clean (and I do mean clean) are Orville Evoy and Irvine McMurray. (Honest weight, no springs.) Although their honesty for weights is sometimes contested, they, nevertheless, do a good job.

Added to the Commissary Staff at the Upper Camp is Miss Aurore Moreau. At our Lower Camp Commissary, assisting Mr. Omer LeFleur, is Miss Corrinne Fillion. Incidentally, Omer is considering a trip to Port Arthur.

The Commissary hours are from 6:45 a.m. to 9:00 p.m. week-days and 10:00 a.m. to 9:00 p.m. on Sundays and holidays.

We would like to note in this issue, the engagement of Helen Fitzpatrick to Bert Webber of Fraser-Brace. Helen is from Eganville, Bert from Pembroke. We wish, for both of you, the best of everything.
