

SOFTBALL

Page Five

Due to the inclement weather of the past week, there has been practically no progress on the grading of the ball field north of the Lower Camp Cafeteria unit. A break in the weather should permit heavy LongLac equipment to move in and finish the job. In view of this, and the fact that movies are now scheduled for the Recreation Hall tonight and tomorrow night, softball organization meetings will be held next week in the Recreation Hall as follows:

Men's Meeting - Wednesday, June 18th at 8:00 p.m.

Girls' Meeting - Thursday, June 19th at 8:00 p.m.

Each team planning on entering a team should be represented and all players interested are urged to attend one of the meetings.
