## SOFTBALL NEWS

The two Men's Leagues, sponsored by the Terrace Bay Softball Association, are away to a good start. President Dick Rigby has asked us to relay the following information: (The Team standings are scored up to the time of going to press only.)

Official Umpire for Terrace Bay field, every day except Sunday, will be W.Doris, C.P.R. Section Foreman; Sunday's Umpire will be arranged for by the President or Team Captains.

A Softball Committee Meeting will be held on Friday, July 11th -- all Team Representatives are requested to attend at 7:15 p.m. in the Personnel Office. A meeting of the Rules Committee will follow the general meeting.

The Captain of winning team of each game is requested to turn in score sheet to the Ontario Construction Office or to the Secretary of the Softball Association after each game. This is important.
