

A WARNING (cont'd)

John signals STOP he means it".

The other day, a truck driver completely disregarded John's signal to STOP. There were no disasterous results but there might have been. John Sechesky is at the crossing for a purpose and we would like to drive home again this message: WHEN JOHN SIGNALS STOP HE MEANS IT!

DISTINGUISHED VISITORS On Monday, August 11th, Terrace Bay was honoured by a visit from Hon. George Dunbar, Minister of Municipal Affairs for the Province and Major A. R. Virgin, head of penal institutions for the Province.

Commenting to the press at the Lakehead regarding his visit to Terrace Bay, Mr. Dunbar said that he found Terrace Bay "very impressive" and added that he was particularly struck with the individuality of the homes in the Townsite.

Mr. Dunbar also noted that Terrace Bay is already formed into an improvement district as is Marathon and that the municipal clerks of both communities are at present taking a preparatory course in municipal administration at the Department of Municipal Affairs, Toronto. (At present in Toronto taking the course referred to is Mr. Frank Strutt of Terrace Bay).
