LARGEST CIRCULATION IN TERRACE BAY

August 27, 1947

WELCOME TO TERRACE BAY

Recently, a press release from Birmingham, Alabama, referred to an agreement which had been reached between the Coosa River Newsprint Company and the Kimberly-Clark Corp. of Neenah, Wisconsin, regarding a new \$30 million dollar pulp and paper mill to be built at CHILDERSBURG, Alabama. Plans call for a mill with a rated daily capacity of 350 tons of newsprint and 250 tons of bleached sulphate pulp.

In making the announcement, Edward L. Norton, president of Coosa River Newsprint Company, indicated that full operating responsibility would be assumed by Kimberly-Clark Corp. and would include all factors of design and construction of the new mill and its subsequent operation, including both production and sales.

To-day, Mr. Norton will arrive at Terrace Bay for a brief visit, accompanied by Birmingham, Alabama business associates including Donald Comer, President of Avondale Mills; Lieut-General John C. Persons, President of the First National Bank and Walter Bouldin, Barrister. In the party also is Fleming Newbold, President of the Washington Evening Star. Kimberly-Clark Corporation officials with the group are: Cola G. Parker, President; Ernst Mahler, Executive Vice-President; C. H. Sage, Vice-President and Arthur Wakeman, Asst. General Manager in charge of Kimberly-Clark expansion.

The entire group has just completed a visit to Kapuskasing, Ontario, where Spruce Falls Power and Paper Co. Ltd. and Kimberly-Clark Corp. of Canada Ltd. are located.

We sincerely welcome these businessmen to Terrace Bay and trust that their brief sojourn with us will be both pleasant and profitable.

FRASER-BRACE WINS FIRST GAME AGAINST HYDRO FOR TERRACE BAY CHAMPIONSHIP (by George Reid)

A fighting Fraser-Brace team edged out a 7-6 win over the Hydro Kilowatts Monday night at the Hydro field,

in the first game of a best of three series for the Terrace Bay Softball Championship. It was a hard fought game all the way - both teams taking the lead during the game with the F-B boys finally nosing ahead in the last inning to cop the game by the slender margin of one run.

Both pitchers, Davis by name, pitched very good ball allowing only one walk each with Fraser-Brace nicking "Red" for eleven blows while George held the Kilowatts down to nine.

Koch was the leading Hydro hitter getting two singlets and a homer for his four trips while Moisan led the winners with three singlets for four.

McDonald of F-B took fielding honors pulling down three well hit balls which certainly would have changed the game had he not speared them.

The next game will be played at Terrace Bay, Wednesday night at 6.45 p.m. and the boys are all hoping to see a good crowd.
