

FRASER-BRACE TEAM WINS TERRACE BAY SOFTBALL CHAMPIONSHIP

A hard fighting Fraser-
Brace softball team

which found itself in the cellar of "B" League at mid-season, emerged as Terrace Bay champions following a remarkable comeback staged under Captain Carson Getz.

After defeating Renown Royals for the "B" League Championship in the semi-finals, the Fraser-Brace team was pitted against the hard hitting "Red" Davis aggregation - "Hydro Kilowatts" - which had just emerged victorious in "A" League over the "LongLac Comets", heavy favourites to take all Terrace Bay laurels.

The 2 out of 3 series extended to 4 games played in five nights, before a winner was decided. On Monday, August 25th, Fraser-Brace edged out Hydro 7 to 6 in a real upset. Two days later (Wed. the 27th) the score was tied 7-7 at the end of the 6th when darkness halted proceedings. The next night at Hydro field the Kilowatts evened the series by a 10 to 9 victory with a 2 run rally in the last innings, after the Fraser-Brace crew had taken a 9-8 lead in the 5th following a 5 run splurge.

The final game played on the Terrace Bay field Friday, Aug 29th, saw the Fraser-Brace lads take a 1 run lead on a run scored by Moisan in the first. In the sixth the Cameron boys each scored a run. Those 3 runs were the only ones scored in the entire game which ended in the favour of the Fraser-Brace team 3-0.

Despite the loss of the game and the series the Hydro Kilowatts deserve a lot of credit. "Red" Davis, Hydro pitcher and captain, sparked the team time and again throughout the semi-finals and finals.

Team line ups for the final game were:

<u>Fraser-Brace</u>		<u>Hydro Kilowatts</u>
Moisan	- 1st -	Mollenham
Getz	- 2nd -	Caley
Cameron, P.	- 3rd -	Johnston
Cameron, D.	- SS -	Gauthier
LeBlanc	- LF -	Koch
McDonald	- RF -	Kailik
Stephen	- CF -	Cummings
Reid	- C -	McFarlane
Davis	- P -	Davis

SOFTBALL BANQUET To officially close the first organized softball season at Terrace Bay, the Softball Association is planning a dinner to be held in the new dual-purpose cafeteria-recreation building on Wednesday, September 10th at 7:00 p.m.

The Fraser-Brace Softball Trophy will be presented and an interesting program is being arranged.

DO WE NEED A PRE-SCHOOL AGE SCHOOL AT TERRACE BAY?

As all children now attending the Terrace Bay School must reach the age of 6 years before December 31st of this year, the question is being raised as to the need for a pre-school age private school in the community.

This question was one of the many discussed at a meeting of the Terrace Bay School Board held September 2nd. At the meeting, the Board decided to give every support to the establishment of such a private school if details could be worked out, although the Board would have no actual jurisdiction over such a school.

First, it will be necessary to have parents with pre-school age children definitely indicate their interest in such a private school.

Secondly, if the need for such a school is indicated, a teacher would be required; someone with a teaching certificate, preferably a kindergarten certificate.

Parents or prospective teachers interested in such a project should contact LongLac's Personnel Director, Mr. H. C. Laundry, at Building 49, in the Lower Camp.
