PLAN FOR HOSPITAL CARE INSTITUTED AT TERRACE BAY FOR LONG LAC EMPLOYEES This week Long-Lac

employees have been extended coverage under the Blue Cross Plan for Hospital care. The response to the plan at Terrace Bay has been excellent, nearly 95% of employees accepting -- the closing date for enrolment being September 25th.

Although there have been numerous problems presented in extending the plan to Terrace Bay during construction period, these have been overcome, and now all Long Lac employees of 30 days service, both salaried and hourly-rated, may enjoy security for their families and the peace of mind that comes from the knowledge that unexpected hospital expenses will no longer be a drain on their earnings.

Outstanding features of the plan include:-

- (A) Hospital services provided for every type of disease, illness or injury. No age limit for adults.
- (B) No physical examination or statement of health is required.
- (C) Chronic or pre-existing conditions are covered.
- (D) Each enrolled dependant is entitled to full benefits, as well as the subscriber.
- (E) The plan card is all that is required for admission to the hospital. You present the card and the services are paid for directly to the hospital by the plan.

Of particular interest to Long Lac employees are these three important features:-

- (1) If on the plan now, you may complete a transfer card to the LongLac group.
- (2) The Company proposes to pay the employees own subscription and will make deductions for married personnel who wish to include their families: e.g.- subscription rate for a married man who wishes to include his wife and children when 16 years of age is \$1.50 monthly for semi-private accommodation. The company will pay .75 each month, and the other .75 will be taken as a payroll deduction. The employee is relieved of the inconvenience of paying direct each month or other period.
- (3) You may continue in the plan should you leave our employ by contacting the Plan for Hospital Care office direct.

Any other questions regarding the Plan for Hospital Care will be answered gladly by the Long Lac Personnel Department.
