"PARDON MY PAST"

It's about the funniest comedy you'll ever see featuring Fred MacMurray, Marguerite Chapman, Akim Tamiroff, William Demarest and Rita Johnson. Fred MacMurray is mistaken for his twin brother, a wastrel whom Fred has never heard about and is threatened with death by Akim Tamiroff, a gangster to whom said brother owes \$12,000.00. Fred is relieved of all his money, \$3000.00 saved from the purchase of a mink farm. Fred's identity is again mistaken and complications pile up with the twins' divorced wife. When the brother returns from Mexico, the situation gets worse but Fred finally clears everything up and exposes a crooked uncle. It's a riot!
