

CURLING CLUB NEWS

Progress is being made on the prefabricating of sections for the Curling Rink, but there is still lots of work to be done, and everyone who can make it is urged to drop around with a hammer to the North American Buildings' plant any evening, Monday to Friday, during the next week in particular.

On Sunday November 23rd, the committee urges that everyone who signed up to help should make a very special effort to give a hand as there are several important things to be done before the weather turns cold again. Help will be needed particularly on the afternoon shift from 1:00 p.m. to 5:00 p.m., at the rink location (behind the moving picture show building) and at the North American plant.

ON THURSDAY EVENING, NOVEMBER 27th, THERE WILL BE A GENERAL MEETING OF ALL CURLERS OR PERSONS INTERESTED IN CURLING AT 8:00 p.m. IN THE TERRACE BAY RECREATION HALL.

At this meeting an executive will be elected for the coming season, and applications for membership in the Curling Club will be taken. BE SURE TO ATTEND.

FROM THE TERRACE BAY RECORDS18 Months ago

Highway #17 was located through the Townsite..... Grading of the railroad spur line to the Millsite was nearing completion..... Considerable clearing was being done around the Millsite as diamond drilling continued in certain areas.

12 Months Ago

First heavy snow storm of the season occurred..... The roof on the Pulp Storage Building, the only permanent building at the Millsite, was being put on..... Plans arrived for the Post Office and work on the building was started..... On Nov. 23rd, 1946, the first Terrace Bay house was occupied by Mr. and Mrs. R. E. Williams.

HOCKEY DOINGS

Now that the new lighting system has been installed at the Hockey Rink, all is in readiness for the coming season except for completion of the lean-to sections which are now being constructed for protection of spectators against the elements. When the job is completed, there'll be an interesting story to tell.

A number of persons have turned in the Hockey Applications which appeared in last week's paper and the temporary hockey committee consisting of Elmer Dion, Jack Beecher, Les Cannon, Murdo Campbell and Gerry Duguin will be glad to hear of additional players for either House League teams or the team which will be entered in the North Shore League (Marathon, Schreiber, Hydro and Terrace Bay).
