

LONGLAC GREETINGS

FROM OFFICIALS AND OFFICES OF THE LONGLAC PULP AND PAPER COMPANY LIMITED.

Here at Terrace Bay, within the short space of two years, a new community has emerged that is a tribute to the free enterprise system of this great North American continent.

Because of the freedom that we enjoy in our "way of life" as citizens of a democratic country, we have many advantages. We choose our jobs; we worship as we please; we are free to enter into the true spirit of the Christmas Season and all for which it stands. And so it is that during this time of year we exchange heartfelt greetings.

To those who remain in this new community of Terrace Bay, we trust that the coming Holiday Season will be long remembered because of its happy associations.

To those who will be travelling to points near and far in this Dominion of Canada or across the boundary to the south which separates two friendly neighbours, - a safe journey and a happy time with relatives and friends.

To all who have contributed in any way to the development of the Terrace Bay project, we express our gratitude and extend the Compliments of the Season.

Hamilton S. Craig,
General Manager,
LongLac Pulp & Paper Co. Ltd.

For many of us the past year has marked an important milestone in our lives, - again we have pulled up stakes and left behind us old friends to join in the development and operation of a great industrial enterprise and the building of a new community.

It is only fitting that at this time of the year when Christmas Greetings are sent to friends, old and new, - near and far away, that we should also extend our good wishes to everyone associated with the Terrace Bay project.

May the Spirit of Christmas with its message of Peace and Good Will Among Men live in our hearts through the year as we work together in our effort to build a community in which we shall all be proud to work and live.

A Merry Christmas and a Prosperous New Year to you all.

Andreas Christensen,
Mill Manager,
LongLac Pulp and Paper Co. Ltd.
