

I wish to take this opportunity of conveying Season's Greetings to each and every one here at Terrace Bay on behalf of North American Buildings Limited.

This seems to be an appropriate time of the year to reminisce, and in so doing I realize how fortunate we all have been here in the fellowship we have enjoyed. The co-operation of all personnel connected with this project has been something for which we can be thankful.

An especial note of thanks is due our own employees who have done a fine job of which we are all proud.

In closing I wish you and your friends a very "MERRY CHRISTMAS AND A HAPPY NEW YEAR."

Fred Carpenter,
Manager,
North American Buildings Ltd.,
Terrace Bay, Ontario.

Canadian Pacific Railway employees at Terrace Bay extend to all the Compliments of the Season.

R. J. Hales,
