BOILER HOUSE WHISTLE NOW IN USE

Another milestone in Terrace Bay development was reached at noon on Thursday, January 8th, when the boiler house steam whistle was blown for the first time. The whistle will be used to indicate starting and quitting times and also for fire alarm purposes.

Starting and Quitting Times - The whistle will be blown for a six second interval at the following times: 7:25 a.m. 7:30 a.m. 12:00 noon
12:55 p.m. 1:00 p.m. 5:30 p.m.

Fire Alarm Signals

For fire alarm purposes the whistle will be blown for 20 seconds in a series of short blasts as a fire warning, followed by the following code to indicate the location of the fire:

- FIRE IN TOWNSITE - 1 blast of 10 seconds duration
- FIRE IN SOUTH CAMP AREA - 2 blasts of 10 seconds duration each.
- FIRE IN MILLSITE AREA - 3 " " 10 " " each.

All fire signals will be repeated in their entirety 3 times, at 30 second intervals, including the 20 second series of short blasts.

TERRACE BAY CURLING CLUB NEWS

Wednesday evening, January 7th, saw curling officially under way at the 2-sheet Terrace Bay Curling rink, the idea for which had evolved from a meeting of curlers held just two months ago. Since that time, a lot of people have done a lot of hustling in order that we might have curling this season in our community, even though we are still in the construction stage. From the General Manager down, volunteers have generously donated their time and although at certain stages of rink construction the turnout was, perhaps, a little discouraging, the fact remains that 24 rinks are at present engaged in a 9 day Novelty Bonspiel, the results of which will not be known until Thursday night, January 15th.

Present plans call for games at 7:00 and 9:00 p.m. every evening throughout the season with games on Saturday and Sunday afternoons also. Townsite ladies who are members of the Curling Club may arrange games for any afternoon Monday through Friday.

HOCKEY NOTES

Under the able direction of Ed Brady and his Hockey Association executive the hockey picture at Terrace Bay looks good. The boys have been practising hard for house league teams as well as the Terrace Bay team entered in the North Shore Hockey League.

The schedule will be drawn for the North Shore Hockey League when the executive meets at Terrace Bay Saturday night.

On Monday evening, January 12th, in the Administration Office there be a meeting of the Terrace Bay Hockey Association executive. All teams planning on playing in the House League during the coming season are urged to send a representative to this meeting as it is hoped that it will be possible to draw the schedule for the season at the meeting.
