Terrace Bay House League

Since last Sunday, old man winter has been a-huffin' and a-blowin' to such an extent that all games scheduled on the open air rink at Terrace Bay had to be cancelled, but as we go to press today there is evidence of good hockey weather ahead, and that means action in the House League. To date, the first game of the regular schedule, played last Sunday morning with the temperature hovering around the 25 below zero mark, saw the Office Staff turn back the Mechanical Dept. by a 9-4 count with the three stars going to Lemiski, Rigby and Brady - according to club house gossip. The Mechanical Dept. gave a good account of themselves, however, and we can look for plenty of competition from them as the season moves along.
