## TERRACE BAY CAMERA CLUB

Monday evening March 1st saw Camera Club enthusiasts meeting for the second time at Terrace Bay to discuss further plans regarding this newly formed organization. Chairman Arnold Mantere informed the group that at the present time dark room facilities would not be available, but that in his opinion the Club could carry on with lectures and field trips. After a general discussion it was agreed that regular meetings would be held every Monday evening at 7:30 p.m. The Membership Fee in the Club was set at \$1.00. On Monday March 8th, the meeting will be held in the Personnel Office and everyone should be on hand, as an election of officers for the Club will be held and Arnold Mantere will give his first lecture on -"Photography, Painting by Light."

In addition to the chairman the other two provisional committee members are Jean MacDonald and Bill Fear.

We would like to take this opportunity to extend our very best wishes to the Terrace Bay Camera Club for success in all their undertakings.
