## SCHREIBER DEFEATS TERRACE BAY FOR NORTH SHORE LEAGUE TITLE

Last night in the Schreiber Arena, before a crowd of more than 600, (which included a Terrace Bay rooting section of well over 200) Terrace Bay bowed out of the North Shore League finals as Schreiber scored a 3 - 1 victory. It was the fourth game of a best-in-five series which had been keenly contested throughout. The first game had gone to Schreiber by a 3 - 2 count with Terrace Bay tying the series with a 4 - 1 victory in the second game. Last Monday, Schreiber scored their second victory as they emerged on the long end of a 4 - 1 score, and last night's 3 - 1 victory, gave the highly experienced Schreiber Club the North Shore League Trophy.

Throughout the first period there was no scoring until the last minute of play when Schreiber scored twice with Fisher (assisted by Riley) and Campbell getting credit for the tallies.

Midway through the second period Paradis scored for Schreiber to make the score 3 - 0. In the final period Terrace Bay seemed to have the edge on the play but when the chips were down a single goal by Elmer Dion was the only Terrace Bay counter.

Officials handling the game did a grand job - Les Sims of Hydro and "Red" McKenzie, who made a special trip from the Lakehead following a request for a neutral referee made to the Thunder Bay Amateur Hockey Secretary, R. C. Chambers.

We understand now that the Schreiber team intends to seek further hockey honours and Terrace Bay hockey fans and players extend best wishes for success. It's been a good hockey season and we'll certainly be looking forward to next year when the friendly rivalry will no doubt be renewed in the North Shore League.

## COLA G. PARKER ELECTED PRESIDENT AMERICAN PULP AND PAPER ASSOCIATION

The recent election of Cola G. Parker as president of The American Pulp and Paper Association is of particular interest to many of us at Terrace Bay.

President of our parent organization, Kimberly-Clark Corporation, Mr. Parker is also president of LongLac Pulp and Paper Company Limited and his elevation to the most important post in the key organization of the North American pulp and paper industry is indeed a signal honour.
