HUMAN KINDNESS.....is the commodity most needed in the world today. With suffering reaching unprecedented proportions abroad--and with our people at home facing many complex problems of peace, the need for generosity and kindness of heart was never greater than right now.

In such times as these people turn to the Red Cross as to an old friend, confident that they will receive help seasoned with friendship and a deep understanding of their problems.

In Canada, the work of mercy moves ahead. Red Cross services are now established in many humanitarian fields....Blood Transfusion Service, to save lives of mothers in child-birth, accident victims....Outpost Hospitals in northern settlements, so that our isolated citizens may have medical care in their times of need....Aid for our veterans, disabled, in distress....Junior Red Cross, inspiring our children to better health, good citizenship, and many other services.

Across Canada at the present time the annual appeal for Red Cross funds is being conducted. The National objective is \$3,000,000. Terrace Bay's share of that objective is \$1000. A Red Cross Campaign Committee is being organized at Terrace Bay and we feel certain that our objective will be reached.
