

ELLEN HODGKISS AND JERRY CHOW
WIN DOUBLES BADMINTON TOURNAMENT

Breaking the three way deadlock which had forced a two week extension of the Doubles Badminton Tournament, Ellen Hodgkiss and Jerry Chow finally emerged as "the champs" in Terrace Bay's first badminton tournament. In earning the honour the Hodgkiss-Chow combination defeated Irma Waara and Monty Paget by a 15-12 count and also downed Grace Noer and Bert Allen 15-9.

The Waara-Paget vs. Noer-Allen game which decided second spot was quite a thriller as the 16-14 score indicates, with the honours going to Irma Waara and Monty Paget.

Congratulations to the winners and to the losers -- better luck next time.

IT'S MUCH BETTER TO PREVENT FIRES
THAN TO HAVE TO FIGHT THEM

Within a thirty-two hour period last Sunday and Monday the Terrace Bay Fire Department was called upon three times to do its duty and in all three instances prompt action reduced damage to a minimum.

It is very important, of course, to know that an efficient, prompt acting, well-trained volunteer fire department stands ready at Terrace Bay under the direction of Fire Chief, George Maitland, to meet emergencies.

It is also very important that each one of us at Terrace Bay should be constantly on the lookout for conditions which might develop into fire hazards, whether we be on the job, in the bunkhouse, or in the home. We all know that "an ounce of prevention is worth a pound of cure". Let's apply this old saying to fire prevention at Terrace Bay.
