

LADIES' AUXILIARY There was a large attendance at the regular monthly meeting of the Ladies' Auxiliary of the Community Church, which met on Monday, April 5th in the Recreation Centre. The president, Mrs. Rune Ostling was in the chair.

The meeting opened with the hymn, "Jesus Saviour, Pilot Me" followed by the Auxiliary prayer read in unison. Mrs. L. Martin gave a report on the progress of the arrangements for the Hudson's Bay Store Fashion Show, sponsored by the Auxiliary, to be held April 22nd in the Recreation Hall. Mrs. Dodge and Mrs. James Duncan offered to assist Mrs. R. Harris with the ticket sales. A large number of ladies volunteered to help serve the refreshments.

Mrs. A. Christensen reported that the Novelty Committee which made baskets for the Easter tea, had expressed a wish to continue their work making favours and novelties for children's parties.

After the business was completed the meeting was turned over to the program committee: Mrs. Harold Marsh, Mrs. Gordon Stewart and Mrs. A. Christensen. An interesting musical contest was enjoyed by all. Tea was served by the hostesses Mrs. E. Marriott and Mrs. George Maitland.

The next regular meeting will be held on Monday, May 3rd at 2:30 p.m. in the Recreation Centre.

WHAT THEY'RE SAYING ABOUT TERRACE BAY The Daily Times-Journal (Fort William, Ontario)
April 5, 1948

"A Fine Contribution" "A short news story carried in Saturday's edition of the Daily Time-Journal affords a revealing insight into the growth and substance of a comparatively new municipality in Northwestern Ontario. We refer to the announcement that the residents of Terrace Bay had donated the sum of \$1,875 to the Red Cross.

Just a year ago, Terrace Bay was really just taking form. The pioneers of a new settlement have had only a few short months to plot streets, erect new homes, to furnish these homes and to landscape grounds. Yet in spite of all the expense and the necessity to think about their own affairs, Terrace Bay people found the money and the time to think of others in a very handsome and practical way.

To.....all.....who helped to put over their local Red Cross campaign, goes well-deserved congratulations!"

COMMUNITY GARDENS In our paper last week, it was noted that consideration is being given the idea of developing a Community Garden project within the community. A number of persons have returned the form which accompanied the article thereby indicating their interest in such a project. We feel certain that there are others who would like to "get in on" such an undertaking and have a garden at Terrace Bay during the coming summer. Such persons are urged to fill in the form appearing in last week's paper or advise the LongLac Personnel Office as soon as possible.
