

ANGLERS CONTEST ANNOUNCED

At an executive meeting of the Terrace Bay Fish and Game Association held April 13th, plans were laid for the Second Annual Anglers Contest.

Although some details have yet to be worked out, the contest will be operated from May 1st to September 15th along lines similar to last year's contest.

The contest will be divided into four classes: Lake Trout, Speckled Trout, Pike and Pickerel, with a minimum of three prizes for each class. As a special incentive to the feminine population who are rod and reel enthusiasts, a ladies prize will be put up in each class apart from the regular prizes, although the regular contest is open to all comers who reside in the Improvement District of Terrace Bay. All entrants in the contest must be members of the Terrace Bay Fish and Game Association. Fish entered must be caught in the immediate vicinity. No person will be permitted to win more than one prize. The official judge and weighing-in centre will be announced in a few days.

Chairman of the contest for the second time is piscatorial enthusiast (we used the same term last year) "Rupe" Clowes. In charge of prizes is Dave McDonald. Publicity - Fred Soughton.

Membership buttons for the 1948 Season may be procured on payment of \$1.00 membership fee to any member of the executive which includes: President Doug Johnson, Vice-President Ed Cavanaugh, Secretary Paul Boudreau, and Executive Members Dave McDonald, Ted Jones, George Coulter, and Rupe Clowes.

The Terrace Bay Fish and Game Association is affiliated with the Northwestern Ontario Conservation Federation which includes fish, game, and conservation organizations from Marathon on the east to the Manitoba border.

SOFTBALL RUMBLINGS

With bright spring days here now - and the snow disappearing fast - sports minded individuals are talking about the coming ball season and even the girls are involved.

Joan Berezowski, Catherine McKeen and Irene Edmond are heading up a movement to get girls softball operating at Terrace Bay this year, and as a direct result of their efforts a meeting will be held in the Personnel Office on Monday April 19th at 7:30 p.m.

Later in the week, on Friday the 23rd in the Recreation Centre, at 7:00 p.m. the men will meet to discuss plans for a house league.

All ball players, and persons interested are cordially invited to be present at one or the other of the above meetings. It's not too early to get organized for the season ahead.
