PLEASE DRIVE CAREFULLY

Now that spring weather is really with us it's only natural that children are playing out of doors much more than during the colder weather.

Despite warnings from teachers and parents about traffic dangers, sometimes youngsters become so engaged at play that such warnings go unheeded.

Under such circumstances it becomes more necessary than ever for all drivers of vehicles to reduce speed on all Terrace Bay roads, and be on the constant lookout for children at play.

PLEASE DRIVE CAREFULLY -- WE LOVE OUR CHILDREN
