

LADIES' AUXILIARY The Ladies' Auxiliary of the Community Church met on Monday May 3rd in the Recreation Centre with Mrs. R. Ostling presiding. The meeting opened with the hymn "Wonderful Words of Life" followed by the Auxiliary prayer.

The president expressed her thanks to all the members who had helped to make the recent Fashion Show so successful.

Mrs. Christensen, convenor of the Sick and Visiting Committee made her report.. This was followed by the report from the Membership Committee given by Mrs. Gordon Stewart. Nine new members have joined the Auxiliary since the last meeting.

It was decided to hold an evening Coffee Party as the May project. Mrs. Harold Marsh, Mrs. David McDonald and Mrs. James Duncan were asked to take charge of arrangements for this party.

It was felt wise to select the convenors for the Fall Bazaar at this time, so that they would have the summer months to prepare for the event. Those chosen were; Knitting Table Convenor-Mrs. R. Ostling, Novelty Table Convenor-Mrs. A. Christensen, Sewing Table Convenor-Mrs. G. Stewart, White Elephant Table Convenor-Mrs. Harold Marsh.

Mrs. J. Duncan and Mrs. W. W. Covington were asked to organize the children of the townsite for the sale of Mother's Day flowers, Saturday May 8th.

After the business meeting, the entertainment committee took charge of the remainder of the program. Mrs. Covington read a humorous Mother's Day Story and a short sing-song was enjoyed by all.

Tea was served by the hostesses Mrs. R. Ostling and Mrs. R. Harris.

FIREWORKS ARE DANGEROUS Every year on the 24th of May in Canada and on the 4th of July in the U. S. A. the loss of life and property due to fireworks is appalling and countless numbers of children and adults too, are injured-sometimes permanently.

In addition to the normal hazards associated with fireworks, we have at Terrace Bay the forest fire hazard which would indeed be intensified if fireworks were used to celebrate the traditional "Firecracker Day"- the 24th of May.

With the above in mind, Fire Chief George Maitland has requested that we bring to the attention of all concerned that it will not be possible to permit the use of fireworks at Terrace Bay.
