

SOFTBALL SEASON OFF TO GOOD START

Monday May 24th marked the official opening of Terrace Bay's Second Softball Season and saw the Men's Softball League get away to a flying start with four of the six teams in action. Over at Hydro, LongLac Comets just couldn't seem to get going as they absorbed a 10 - 3 drubbing. On the local sandlot, Fraser Brace Alkies took it on the chin by a 7 - 4 count with Fraser Brace Whammies gaining the decision.

Last night in a game which saw LongLac's Klondike Klubbers execute their second triple play of the season, the Klubbers scored by a 14 - 5 margin over the Steam Fitters in a game which was much closer than the final tally indicated.

FOREST FIRE NEAR TERRACE BAY

Last Thursday (May 20th) the Terrace Bay area had its worst threat from a forest fire since the LongLac project was started.

With a wind blowing that neared gale velocity, fire of an undetermined origin broke out north of the Blue Jay basin above Hydro Camp #1 and quickly spread until it reached the basin less than a quarter of a mile from the camp itself. Workmen from the Hydro and Terrace Bay projects held the blaze in check in the basin but late in the day the fire had spread against the wind back into heavy timber in the hills where crews fought the fire until 3:00 a.m. Friday morning when it was brought under control. Later in the morning firefighters returned to insure that all remaining isolated embers were extinguished.

The question of how the fire started remains a mystery but its proximity to our job and our homes forcibly emphasizes the fact that we dare not take the attitude that "it can't happen here". The constant threat of fire ought to make everyone doubly careful with anything that might start a fire.

ANGLERS CONTEST

Now that the fishing season is really getting underway, it's just about time to turn in the "big fellas" for weighing at the Barber Shop where Maurice Kulcheski is the Official Judge of Terrace Bay's Second Annual Anglers Contest. At least three prizes are offered in of the four classes: Pike, Pickerel, Lake Trout and Speckled Trout, with a special additional prize for ladies in each class. All entrants must be members of the Terrace Bay Fish and Game Association.

The largest fish entered in the contest to date was a 4 lb. 8 oz. 23 inch Speckled Trout caught last Sunday by John Nixon of Fraser Brace.
