WHEN THE SIREN SOUNDS

In the event of a fire alarm all persons not actually designated as fire fighters attached to the Volunteer Fire Brigade should keep off the roads, in order to leave vehicles a clear passage on their way to fight the fire. Vehicles which are not carrying fire fighters should also keep clear of roads leading to the scene of the fire. Your cooperation on this will assist greatly.

WOODLANDS DEPARTMENT NEWS

Advice has just been received from our Woodlands Department at LongLac, Ontario, that a forest fire is raging out of control in an area about two miles west of LongLac on the Trans-Canada Highway. The fire broke out north of the highway on May 31st and despite the efforts of a large crew of men, it jumped the highway and spread rapidly to the south.

Woodlands Camp 14 has been totally destroyed, along with camp and fire fighting equipment. The last report states that the fire has again crossed the highway and is heading north toward the Kenogamisis River.
