AROUND THE BALL FIELD

Despite threatening weather last Sunday afternoon and evening, the double header between the Rockettes of the Lakehead Ladies' League and the Terrace Bay All Star girl's team was played as scheduled with the inexperienced locals going down to defeat twice before two large crowds of softball enthusiasts.

There is no reason why we should make apologies for the Terrace Bay girls. It was their first attempt as a group against an outside girl's team and they picked the stiffest opposition they could find in the Rockettes, who last year were winners of their league and who at last report were tied for first spot in the Lakehead League this year. The Rockettes won the first game by a 14-1 count and in the second game scored an 18-10 win.

Terrace Bay girls have been invited to play return games with the Rockettes at the Lakehead on Sunday July 11th.

Line ups were as follows: Rockettes - T. Strbavy, J. Allan, N. Holt, P. Creighton, L. Creighton, I. Barr, D. Rice, E. Rice, M. Meady, B. Gollat, A. Parker, C. Petosky, and J. Guerard.

Terrace Bay - J. Berezowski, M. Letain, D. Wheeler, B. Fawcett, S. Fournier, I. Bodman, R. Bangaart, F. Scafe, M. Storey, A. Evans and A. Evans.

HYDRO DEFEAT COMETS 10-2

In the Men's Softball League, only one game has been played during the past week due to weather conditions and that game between Hydro and Comets was won by Hydro in a most convincing 10-2 fashion. The win gave Hydro undisputed possession of first place in the league.
