

AROUND THE BALL FIELDComets Defeat Nipigon 23-16

On Sunday July 4th Terrace Bay Comets journeyed to Nipigon, Ontario for a game with the Nipigon All

Stars. They came away from the encounter with a 23-16 victory under their belt in a nine inning game played during the afternoon. This was the Comets first win during their encounters with outside teams and it was certainly well merited. Behind the pitching of George Davis, the Terrace Bay boys played good ball even though the hitting on both sides made the final tally look like a basketball score.

An invitation has been extended to Nipigon for a return game at Terrace Bay and the Comets certainly hope that the Nipigon boys will take advantage of the invitation.

Terrace Bay Girls To Play Rockettes At Lakehead July 11th

The Terrace Bay All Star Girl's Softball Team will

journey to Port Arthur on Sunday July 11th to play return games with the Rockettes who were guests at Terrace Bay a couple of weeks ago. Despite the fact that the local girls met defeat twice at the hands of the Rockettes, they have high hopes of emerging victorious in at least one of the encounters of the double header which is scheduled. Incidentally the Rockettes are in first spot in the Lakehead Ladies' League. Following the recent visit of the Lakehead team to this community, the Rockettes' sponsor, Herb McComb, forwarded to the Terrace Bay girls, twelve pairs of ladies softball stockings. It was certainly a sporting gesture which is sincerely appreciated.

Men's House League

The Hydro team continues to show the way in the six team Men's League, having suffered but one defeat in seven starts. In the game played on July 1st between Comets and Alkies, the final score of 24-4 for Comets seemed to be convincing enough. However, due to a breach of regulations, the game has been protested by the Alkies and the protest will be dealt with at the special softball meeting scheduled for 7:00 p.m. on Tuesday, July 13th. The meeting will be held in the Personnel Office and all members of the Men's Softball executive as well as a representative from each team should make every effort to be present, as a number of other matters in addition to the protest are on the agenda.
