LARGEST CIRCULATION IN TERRACE BAY

July 15, 1948

TERRACE BAY PLAYGROUND SUPERVISION

Commencing the week of May 24th, the Terrace Bay Women's Institute took on the supervision of the Playground for a two hour period from 2:30 p.m. to 4:30 p.m. Monday through Friday each week. Since that date, generally two at a time, forty-five different ladies of the Townsite have donated their services to assure a supervised play period at the playground, particularly for younger children. We feel certain that parents and children alike have sincerely appreciated the community service which has been rendered by these supervisors.

Now that the holiday season is here (as well as the fly season) it has gradually become more difficult to secure a sufficient number of supervisors, so much so, in fact, that the Women's Institute just about decided, regretfully, that for the time being it would be necessary to discontinue the project.

However, in an effort to maintain the service through the summer months an appeal is now being made to all ladies who are prepared to volunteer their services and we trust that the response will be gratifying. Ladies who would like to assist are asked to contact Mrs. R. Ostling, 136 Poplar Crescent; Mrs. P. Harris, 92 Hudson Drive or leave their names at the Personnel Office in the Lower Camp.

The following ladies will act as supervisors during the week of July 19th:

- Monday - July 19th - Mrs. C. A. MacMillan and Mrs. K. Nairn
- Tuesday - July 20th - Mrs. G. Dodge
- Wednesday - July 21st - Mrs. P. Wallwin and Mrs. J. Graham
- Thursday - July 22nd - Mrs. M. R. Lemon
- Friday - July 23rd - Mrs. D. Noble

OUR DEEPEST SYMPATHY IS EXTENDED TO BILL KOOLS

Many hearts at Terrace Bay were saddened last week-end at the news of the sudden passing of Bill Kool's wife. Bill was at Terrace Bay last week on a routine visit from Neenah when he received news of the sudden illness of his wife at Appleton, Wisconsin. Last Friday morning he left by special car for Duluth but was intercepted at Port Arthur and rushed to a private plane chartered by Kimberly-Clark and flown from Oskosh, Wisconsin, to the Lakehead to expedite Bill's return. Despite every effort, however, Mrs. Kools passed away before Bill reached her.

Deepest sympathy is extended from Bill's friends at Terrace Bay to all relatives and friends who are left to mourn the untimely passing of Mrs. Kools.

POWER OFF SUNDAY

Please be advised that the Hydro-Electric Power Commission again finds it necessary to turn off all POWER in the North and South Camps, the Mill Area and the Townsite Area on Sunday, July 18th from 8:30 a.m. to 11:30 a.m., and from 1:30 p.m. to 3:30 p.m.

W. F. Strutt,

The Corporation of The Improvement District of Terrace Bay.

TENNIS COURTS NEARING COMPLETION

Although completion of the two tennis courts in the Townsite has been delayed, due to two or three spells of wet weather, the latest report received as we go to press should be welcome news to Terrace Bay tennis enthusiasts. If the present weather continues, final surfacing will be completed and the courts will be ready for play during the coming week-end.
