Game with Schreiber Called Off

Terrace Bay hardball fans were disappointed last Sunday afternoon when Schreiber was unable to field

a team for an exhibition game. In three previous encounters this season with the experienced Schreiber club, the newly formed local aggregation had gone down to defeat in the first two encounters but had taken Schreiber on their own sandlot in a game played July 1st by an 11-5 score.

There are reports to the effect that due to a number of reasons Schreiber may not be able to field a team during the balance of this season, and this will be a further disappointment to local players and fans as there are no other hardball teams in the immediate vicinity.

Men's Softball Executive Meeting

At a meeting of the Men's Softball Executive held in the Personnel Office on Tuesday evening July 13th

a number of important matters related to the current operation of the club were discussed. One of the most important decisions reached related to umpires and it was agreed that each team would name an umpire in addition to non-playing umpires who already have performed yeoman service. It was also decided that behind the plate umpires would be paid \$2.00 and base umpires \$1.00 - from collections taken at the games.

With respect to the Comets-Alkies game which had been protested, the executive ruled that the game would be replayed on Thursday July 15th at Terrace Bay Ball Field.
