

GENERAL PRECAUTIONS FOR MAINTENANCE AND REPAIR MEN

1. Before working on any machine or other power equipment, make sure it is locked or otherwise out of service, and cannot be set in motion without your permission.
2. Wear goggles and snug-fitting clothing around machinery.
3. Use only safe tools and portable electrical equipment in good condition. Ground portable power tools.
4. Never work alone on extra hazardous jobs.
5. Do not overload hoists, ropes, chains, scaffolds or ladders.
6. Before putting the repaired equipment in service, replace all safe-guards and check to see that everything is okay.
