

House of Cavanaugh To Play All Star Girls Sunday August 15th

On Tuesday evening
July 20th, "The House

of Cavanaugh", an entire softball team comprised of members of the Cavanaugh family, and Terrace Bay's All Star Girls, battled to an 18-18 tie. The report of the game carried in this paper indicated that a return game would be played at a later date with proceeds from the collection going into a fund to purchase "extras" for patients of the Terrace Bay Hospital.

Arrangements have now been completed for the game to be played at 2:00 p.m. on Sunday afternoon August 15th, and a record crowd should be in attendance.

It has been disclosed by Postmaster Ed Cavanaugh that "The House of Cavanaugh" has also received a challenge from the staff of the Terrace Bay branch of Hudson's Bay Company. In his comments, Ed noted that the Hudson's Bay challenge would be accepted, but "first of all we want to dispose of the All Star Girls and this time we are not going to pull any punches". Both games should be highlights of the current softball season.

Exhibition Games

During the past two week-ends, plans for exhibition games with Nipigon and Lakehead Motors of Port Arthur have hit snags due to unfavourable weather. We hope that before the season ends the games planned will again be re-scheduled. Arrangements for games with Marathon at Terrace Bay are also underway, but a definite date has not been set.

Men's House League

Hydro are still maintaining their hold on first spot in the six-team Men's League. Last Thursday night Comets had an opportunity to take over the top rung, but instead took a 7-1 drubbing from Hydro.

At the moment the 4th position Klubbers are the team to watch. They have won all of their last three starts and are playing heads up ball in an effort to capture a playoff berth before the regular schedule ends on September 1st. Klubbers big test will come tonight (Thursday August 5th) against Hydro at Hydro. A victory against the league leaders would boost their stock considerably. Even Steam Fitters have a mathematical chance of being in the play-offs. The best Alkies can hope to do is upset the applecart by defeating some of the top teams in their four remaining games, but even that could prove interesting and be a real measure of satisfaction to the boys who have been the anchor men throughout most of the season.

Men's House League Standings
(including game played August 3rd)

	<u>Played</u>	<u>Won</u>	<u>Lost</u>	<u>Tied</u>	<u>Points</u>
Hydro	11	8	2	1	17

August 11	- Steam Fitters	vs.	Whammies
August 12	- Alkies	vs.	Hydro at Hydro

o-o-o

A common fire hazard in the home or in the mill is the oil mop or oily rags. Both are signs of good housekeeping yet they are risky because they have oil on cloth. Such mops or rags should be hung outdoors in full ventilation or stored in closed metal containers which will keep them from turning traitor.
