

FIELD DAY FOR TOWNSITE CHILDREN HELD LABOR DAY

~~Terrace Bay~~ had its first Field Day on Labor Day, ~~September 6th~~ when children

AROUND THE BALL FIELD

It's Comets and Whammies for the three out of five game finals of the six-team Men's Softball League with the winning team taking the Fraser-Brace Trophy. Comets earned the right to meet Whammies following an 11-5 victory over Hydro in a game played Wednesday night at Terrace Bay.

It is doubtful if Hydro will be able to enter a team in the league next year and we would like to pay tribute to the boys from across the river who have contributed a great deal to the softball picture at Terrace Bay both last year and this. Always good sports the players on the Hydro teams have invariably played hard and during the two seasons have always been well up in the standings. This year, they led the league most of the season and it was not until the team started to lose players due to the "near-completion" status of the Hydro project that the Hydro team dropped to second spot in the league. To all the Hydro boys we say good luck - and good softball wherever you go.

Next Wednesday night, September 15th, the Second Annual Banquet of the Men's Softball Association will be held in the Recreation Hall. Admission will be by ticket only and players are asked to secure their tickets from team captains.
