REFUNDABLE SAVINGS

According to information just received from the Taxation Division of the Department of National Revenue, 1943 and 1944 refundable savings cheques will be mailed by March 31, 1949. In order that everyone who is entitled to a refundable savings cheque may receive theirs on time, every effort is being made through a coast-to-coast publicity campaign to urge all taxpayers who have changed their address since 1943 to so advise the Department. The importance of public co-operation cannot be over emphasized since tracing taxpayers who are entitled to refundable savings cheques throws a heavy burden upon the Department of National Revenue. When the 1942 refundable savings cheques were distributed, more than 450,000 persons had to be traced in order to insure delivery of the cheques and since the current campaign represents over twice as many taxpayers as last year, the problem involved should be readily appreciated.

If you have changed your name or address since 1943 and are entitled to a refundable savings cheque for either or both of the 1943 - 1944 tax periods, make it a point to fill out the special "Change of Address" card available at all Post Offices. These cards should be mailed before October 31, 1948 to the Taxation Division, Department of National Revenue, Ottawa.

BADMINTON NOTES

About 25 badminton players turned out last night for the second evening of play in the current season.

Next Wednesday evening, the 2nd Annual Meeting of the Terrace Bay Badminton Club will be held and officers for the '48 - '49 season will be elected. The meeting will be held at 8:00 p.m. Prior to and following the meeting, badminton will be played on the three courts as usual. All badminton players are urged to be present at the business meeting and everyone is assured that the meeting will be brief. However, attendance is important, since the choosing of an executive to run the affairs of any organization should be the responsibility of all members of that organization.

ASSESSMENT NOTICES

Assessment notices have been mailed by the Assessor of the Improvement District of Terrace Bay to all tenants of houses at Terrace Bay and since there may be questions asked regarding these notices, a few words of explanation are in order.

The assessment notice is not an assessment bill, it is simply a routine notice sent out for the purpose of informing a tenant about the assessed value and school status of the property on which he pays rent. Such notices are sent out in accordance with the Assessment Act.

FIRE PREVENTION WEEK AT TERRACE BAY - OCTOBER 3-9

In addition to the special window display at Hudson's Bay Store and the film "CHEMISTRY OF FIRE" which will be shown following regular shows on Monday and Tuesday evenings next week, Fire Prevention Week will be observed in other ways too at Terrace Bay. Monday is "Teacher's Convention" and a special show is being arranged for children (parents are invited too). The show will be held in the Recreation Hall commencing at 2:30 p.m. On Tuesday afternoon starting at 3:00 p.m. supervisors will witness films in the Recreation Hall, and hear an address by G. E. Mortensen of Kimberly-Clark's Land and Insurance Department following an introduction by Fire Chief Maitland. The group will then move to the Terrace Bay Ball Field for practical demonstrations of fire prevention equipment. The public is invited also to the Tuesday afternoon meeting.
