"MONTY" PAGET ELECTED TO HEAD BADMINTON CLUB FOR SECOND TERM

Terrace Bay Badminton Club members elected an

executive for the '48 - '49 season on Wednesday evening, October 6th at their Second Annual Meeting.

Prior to the elections, President Monty Paget reported on the activities of last season when a Badminton Club was organized for the first time at Terrace Bay. Reports were also given by the Secretary-Treasurer Gladys Irvine, who briefly outlined last years activities.

The election which followed the reports resulted in the re-election of C. E. 'Monty' Paget for second term with other executive members as follows: Vice-President - Bill Lowe, Secretary-Treasurer - Doreen Lindberg, Executive Members - John Jeanneret and Marg. Storey. The meeting was attended by approximately 40 Badminton players. Following the election President Paget indicated that a constitution would be drafted in the near future and a discussion regarding membership fees resulted in a decision to continue the annual fee of \$1.00. It was also indicated that the 15¢ charge per night for Badminton birds would be continued. Following the meeting, play was resumed on the 3 courts in the Recreation Hall, which are used regularly every Wednesday evening by the Badminton Club. Only paid up members will be permitted to play after October 20th and membership fees may be paid to the Secretary-Treasurer Doreen Lindberg in the Administration Office or at the Recreation Hall on Wednesday evenings.

TO ALL EMPLOYEES OF LONGLAC PULP AND PAPER COMPANY

So many have said that the only way they can save money is through the

regular purchase of bonds on a Payroll Deduction plan. Since this is so, we have arranged to make the new issue of Canada Savings Bonds available for purchase through the Company with payments to be deducted from the payroll.

Canada Savings Bonds pay $2\frac{3}{4}\%$ and can be turned into cash at any time for their full value plus interest. The bonds come in denominations of \$50.00, \$100.00, \$500.00 or \$1000.00. To purchase these bonds on the installment plan, the cost of each \$100.00 is \$8.46 per month for 12 months or \$4.23 per pay for those on a semi-monthly pay basis.

In the near future all employees of LongLac Pulp and Paper Company will be approached by a fellow-employee regarding the purchase of Third Series Canada Savings Bonds. We believe that you would be well advised to purchase all the bonds for which you can comfortably pay.
