

Control of the hockey and skating rink was raised and it was indicated that a rink committee would be organized at Terrace Bay representing various groups interested in using ice facilities. The responsibilities of the rink committee would be to allocate the facilities equitably.

This will be Terrace Bay's third hockey season. Last year we had a four team House League, and a team entry in the North Shore League. The coming season should be equally as good if not better.

At a meeting of the newly elected Hockey Association executive held on Tuesday evening October 26th plans were laid as a basis for House League operation. A pool of players is to be set up from which prospective Captains will choose their teams. The number of teams will be determined by the number of players interested in playing House League hockey. By using this method of developing teams, no team will be "stacked" and this should result in good competition. Everyone interested in playing hockey this winter at Terrace Bay should leave their name with one of the following: Bill Borsum, Harold Marsh, Eldon Marostica, Dave McDonald, Fred Soughton or Harry Ganja.

The question of a "Home and Home" hockey schedule involving Marathon, Schreiber, Nipigon, Red Rock and Terrace Bay was discussed by the executive and the Association Secretary was instructed to contact each of the above communities to see if such a schedule could be arranged.

The executive will meet again on Tuesday, November 2nd, at the home of one of its members Dave McDonald, 70 Laurier Avenue.
