GENERAL MEETING OF HOCKEY ENTHUSIASTS HELD LAST SUNDAY Last Sunday afternoon at 2:00 p.m. in the Recreation Hall an open

meeting was held of all hockey enthusiasts at Terrace Bay and although the attendance wasn't large due to the heavy rainfall, those who were present were very enthusiastic about plans for the coming season.

In the chair was the president of the Terrace Bay Hockey Association, Bill Borsum, who gave a comprehensive report on the activities of the Executive in planning for the '48 - '49 season. It was pointed out by the president that the Executive hoped this year to furnish two sets of equipment for use by House League teams and that the procurement of additional equipment to be added to that already on hand, would involve an expenditure of a considerable sum of money.

Reference was also made to the expansion of the North Shore League and it was indicated that at the present time teams would, in all probability, be entered from the communities of Nipigon, Red Rock, Schreiber and Terrace Bay, with Marathon and Pine Portage still on the uncertain list. The question of membership in the Terrace Bay Hockey Association was then discussed and the meeting agreed that a \$5.00 active membership would be desirable in order to help finance the purchase of equipment which would be available to all active members who had positions on any of the House League teams or the North Shore League team. It was further pointed out that by such a cooperative effort it would be possible to eliminate injuries which otherwise occur if players were without adequate protective equipment.

The question of a "Booster Club" for hockey at Terrace Bay was then raised and it was felt that there would be many people in the community who would like to assist in the financing of the club by taking out honorary memberships. It was also noted that such honorary members would be given priority when tickets were sold on chartered buses for games outside of the community. The membership of the "Booster Club" was set at \$1.00.

The appointment, by the president, of Peter Mazza and Murdo Campbell to act on the Rink Committee which will control ice facilities at Terrace Bay was ratified by the meeting.

It was interesting to have present at the meeting a number of young lads from the community who were interested in the formation of minor hockey teams and assurance was given by the President, Bill Borsum, that every effort would be made to meet their needs.

Before proceedings closed a vote of thanks was extended to the Executive for their efforts to date on behalf of the Hockey Association. The Executive consists of President - Bill Borsum; Vice-President - Harold Marsh; Secretary-Treasurer - Eldon Marostica; Minor Hockey Representative - Dave McDonald; Publicity, Equipment and Game Officials - Harry Garje.
