CHILDREN'S CHRISTMAS PARTY THURSDAY DECEMBER 23 Hi Kids! Have you heard the news? Santa Claus is coming to Terrace Bay on Thursday afternoon, December 23rd to attend the Second Annual Children's Christmas Party. The program will get underway at 2:00 p.m. in the Recreation Hall and every boy and girl in the community 15 years of age and under is invited to the event.

Commencing at 1:30 p.m., through the kind generosity of the International Transit Co., a bus will be operated through the Townsite Loop to the Lower Camp at ten minute intervals just to be sure that everyone gets down to see Santa. Because of the limited accommodation, however, it is requested that the bus facilities be used only by those who really need a ride, particularly mothers with small children. It is just a nice walk to the Rec. Hall for boys and girls who go to school.

Due to limited facilities in the hall, it is impossible to invite parents excepting the mothers of small children who should feel free to attend with their youngsters.

Santa Claus will have a present for every boy and girl, there will be candy and revels, and the program will include a movie picture show, so it certainly will be a party that no one will want to miss.

CURLING CLUB DANCE NEW YEAR'S EVE A gala New Year's Eve Dance is being planned by the Terrace Bay Curling Club with favours, noisemakers, and everything that goes to make up a real party. The event will be staged in the Terrace Bay Recreation Hall with dancing starting at 10:30 p.m. At the moment it is not possible to announce the type of music which will be available. For some time now every effort has been made to secure an orchestra, but without success. But the "show will go on" since the best bands in the land are still available via the P. A. System.

Improvement District By-law 17 limits dance attendance at the Recreation Hall to 400, so tickets will be sold only to 200 couples and should therefore be secured early from members of the Curling Club.
