LARGEST CIRCULATION IN TERRACE BAY

February 17, 1949

IMPORTANT MEETING FEBRUARY 24TH Everyone at Terrace Bay is urged to make a special effort to attend a meeting which is scheduled for Thursday evening, February 24th at 8:00 p.m. in the Recreation Hall. As announced in this paper last week, the meeting is being called for the purpose of organizing The Terrace Bay Recreation Association, and at the meeting it is hoped that a Steering Committee, Executive, or Board of Directors will be elected. Plans are not finalized as yet as to the exact function which this organization should perform and residents of the community are urged to consider the matter carefully and come prepared to discuss their ideas. Only in this manner will a Recreation Association emerge which will express the wishes of the people for whom the organization is to function.

Much of the credit for the win goes to skip Mel Bamforth who with Steve Valigrodski, Joe Campbell and Al Crockford downed their opposition 15 - 8. Jack Wellings rink which included Alf McBride, Fred Soughton and Monty Paget came out on the short end of a 12 - 9 score but the combined scores of both games gave the local rinks the victory.
