LARGEST CIRCULATION IN TERRACE BAY

February 24, 1949

TO ALL RESIDENTS OF TERRACE BAY:

The time has come when a Recreation Committee or Recreation Association should be established at Terrace Bay to co-ordinate the activities of those organizations already established, allocate for equitable use the facilities made available to date, and develop additional activities and facilities. Our objective should be the operation of a Community Recreation Program at Terrace Bay along democratic lines which will reasonably satisfy everyone in the community in all age groups.

To assure maximum success for such a program requires the combined support of each resident and the Clubs or Associations to which he or she belongs. It will also be necessary for opinions to be freely expressed regarding the exact form which such an organization should take. For this reason, a General Meeting has been called for Thursday evening, February 24th at 8:00 p.m. in the Recreation Hall and I would urge everyone at Terrace Bay to make a special effort to be present. Even though you may not wish to express an opinion, your presence at this meeting is important and desirable.

D. C. Porter, Mill Manager,
LONGLAC PULP AND PAPER COMPANY LIMITED.

TO ALL MEMBERS OF LOCAL #665:

On Thursday evening of this week in the Terrace Bay Recreation Hall, a meeting is scheduled to discuss a Community Recreation Program at Terrace Bay.

This meeting will offer an excellent opportunity for everyone to express their opinions on a matter of prime importance to the entire community and I would like to see every Union member present who can possibly attend.

Daniel J. Gillis, President,
Terrace Bay Local No. 665.
INTERNATIONAL BROTHERHOOD OF PULP, SULPHITE AND PAPER MILL WORKERS.

HOCKEY ASSOCIATION URGES ATTENDANCE AT THURSDAY NIGHT MEETING Despite the fact that it has not been possible to cancel the North Shore Hockey League game with Marathon which will be played in Schreiber Thursday, February 24th, the Terrace Bay Hockey Association through its president, Bill Borsum, would like to urge all hockey players except those required for the game, to make a special effort to be at the Recreation Hall at 8:00 p.m. on Thursday evening. A meeting has been called for the purpose of expanding the Recreation Program at Terrace Bay and the support of all organizations is important.
