

LADIES AUXILIARY A very well attended meeting of the Community Church Ladies Auxiliary was presided over by the President, Mrs. R. Ostling on Wednesday, March 2nd, in the Recreation Centre. Mrs. R. Wallwin read the Scripture and led in prayer.

Mrs. Ostling thanked Mrs. M. Martin for the efficient way the program booklets were made up for the year, also the other ladies aiding in this project.

It was announced that the April meeting of the Ladies' Auxiliary will be held April 13th, a week later than scheduled, and that an Easter Tea be held Wednesday, April 6th, at which Mrs. David MacDonald will be general convenor.

After the business portion of the meeting, Mrs. H. S. Craig and her committee took over the program. The topic "Tolerance", proved most interesting and enlightening.

Lunch was served by Mrs. H. S. Craig, Mrs. D. Husband, Mrs. R. Wallwin and Mrs. J. Knight.

FLASH - The Ladies Auxiliary of the Terrace Bay Community Church are at it again! Their second annual Easter Tea, Bake sale and novelty table promises to be bigger and better than ever. Watch for more news of this April 6th event.

SOMETHING TO REMEMBER We can count the number of accidents - we can figure the cost in dollars and cents - and they make terrific statistics. But no one can ever measure the suffering and pain endured by an accident victim.

Statistics often lull us to sleep, somehow accidents always happen to the other fellow - they never seem to happen to us. While it is true that accidents do happen to others, they can happen to any one of us, and when they occur they hurt, they maim, they result in loss of pay, and can even upset our entire future. One thing to bear in mind is the fact that it is easy to have an accident, BUT, it is also easy to avoid one. In most instances avoiding accidents simply means not taking chances. Few accidents are actually caused by mechanical failures. As a matter of record, most accidents are caused by carelessness. Let's not take the attitude that it won't happen to us - maybe it won't, but you never can count on it. Thousands of people have said one second too late: "If I had only been careful". One second before is the time to remember.

SAFETY SLOGAN CONTEST STARTS MARCH 14th Every week for 10 weeks, someone on the Long Lac Payroll will have the opportunity of winning \$5.00 by simply reciting the "Slogan for the Week" when asked for it by someone authorized by the Contest Committee. Each week, the "Slogan for the Week" will be published in this paper and posted on the bulletin boards in the mill. The Kardex file in the Personnel Department contains a card for each employee on the payroll and names will be drawn by first picking a drawer number and then a card number. If a person is approached and misses the slogan - the \$5.00 goes into the "Jack-pot" making a prize of \$10.00 for the following week.

The slogan for the week of March 14th may be found on page 2.

A NOTE OF APPRECIATION For a number of months, stenographic work on "Terrace Bay News" has been handled very capably by Mrs. Florence Dixon. Florence is now leaving Terrace Bay for Sudbury due to the transfer of her husband who is employed by the C.P.R., and we would like to express our thanks to her for her efforts on behalf of our paper and wish her the best of everything as she leaves us.
