

SAFETY SLOGAN CONTEST Last week (the second week of the Slogan Contest) saw \$5.00 go into the Jack-pot, making this week's prize \$10.00. When approached last Saturday morning, Arcade Loranger, Screen Room clean-up man, was unable to recite the slogan. Better luck next time!

Every week \$5.00 is added to any accumulated prize money and the total amount goes to the person whose name is drawn from the Kardex files of the Personnel Department, providing the "Slogan of the Week" is recited correctly when the lucky person is asked for it by members of the Contest Committee.

NEXT WEEK'S SLOGAN

"A MOMENT OF CARELESSNESS MAY MEAN A LIFETIME OF REGRET"

This is the slogan for the period from 8:00 a.m. Monday, April 4th, to 8:00 a.m. Monday, April 11th. Remember it! You may win a minimum of \$5.00.

Pulp Department and Hotel	1	26	4
Maintenance and Miscellaneous Office	2	4	4

During the past week, we had one Lost Time Accident in the Maintenance Department when an employee attempted to remove a loose metal cutting from a running lathe with his hand. The result was badly lacerated fingers requiring hospitalization. It doesn't pay to take chances around moving equipment or machinery.
