SPRING FASHION TEA On Thursday afternoon, April 7th, the Hudson's Bay Company presented their annual showing of Spring fashions in the dining room of Hotel Terrace. Each tea table was adorned by daffodils, and together with the gaily coloured dresses, suits, slack suits and play costumes, the presentation was most Spring-like. All of the 25 articles modeled carried out one or more of the season's fashion highlights of capelets, quaint pockets, and slender, slim lines - fashions of yesterday which have been revised for today. A delicious luncheon of tea, sandwiches and cake added greatly to the attraction. The Fashion Tea was under the sponsorship of the Terrace Bay Women's Institute, the following members of which participated and were instrumental in the success of the affair: Commentator, Mrs. W. Lowe; Models - Mrs. K. Vickers, Mrs. R. Ostling, Mrs. A. McDonald, Mrs. W. Covington, Mrs. S. Hodgkiss; Dressers - Mrs. L. Martin, Mrs. C. E. Paget, Mrs. T. Turner, Mrs. J. Graham, Mrs. F. O. Soughton; Tickets - Mrs. R. Harris; Ushers - Mrs. M. Martin and Mrs. D. Noble. Hudson's Bay officials from Winnipeg who were at Terrace Bay for the occasion included; H. E. Cooper, O. Finnell and L. Father James Delaney will conclude his pastorate of St. Martin's Parish, Terrace Bay, which he has held since September, 1947, when he was appointed as the first parish priest of the newly created parish by Bishop R. Since coming to Terrace Bay, Father Delaney has made many friends and not only among his own parishioners.
