BOY SCOUT GROUP A meeting of the Scout Group Committee was held May 11th at 169 Birch Crescent. Those present were - Herman Roberts, Ralph Buck, Wilf Ogden, Dr. Shaunessy, with Hugh Boudreau representing Father Roenicke.

The meeting was advised that the Community Church Board had elected to this Committee the Rev. Lavender as their representative. Father Roenicke was the elected representative for St. Martin's Men's Club.

Herman Roberts was unanimously elected Chairman of the Committee as was Wilf Ogden, Secretary-Treasurer. The Chairman and Secretary-Treasurer will act as the signing body for what will henceforth be known as "Terrace Bay Scout Committee".

The Secretary-Treasurer was interested to apply to the Provincial Scout Committee for a charter and also to purchase such books, etc., as required for the guidance of Scout and Cub leaders.

Leaders were discussed and chosen, and these will be announced later at a meeting to be called immediately for the purpose of outlining plans with the Scout and Cub leaders for the registration of applicants and future activities of the two groups.

It is expected and desired by this Committee that Cubs and Scouts will be well under way before commencement of the summer holidays. Parents of children who are interested in this movement and have not yet filled applications may do so by contacting the Secretary-Treasurer.

Age groups are as follows; 8 years to 12 years - Wolf Cubs. 12 to 18 years - Scouts. Boys attaining the age of 12 before the end of 1949 will be eligible for Scouts.

RUBBISH PICK-UP Now that spring weather is here, there is a strong urge on the part of residents in the Townsite to clean-up and rake up round the house and property. The Company is arranging to have a truck take away any piles of rubbish which can't be put in garbage cans. Piles should be on the side of the road, and as convenient as possible for the men to shovel into the truck.

Let's keep our town as clean and neat as possible; not only will it enhance its beauty but will lessen the hazard of fire.
