

E.M.B.S. MEMBERSHIP DRIVE PROGRESS At the time of publication, the Employees Mutual Benefit Society has reached a membership of 349.

The Personnel Department is now endeavouring to close off the current campaign for membership and any persons who have not yet been approached regarding coverage under this latest Benefit Plan, should immediately see either the Operating Personnel man in the Mill, or the Employment Supervisor in the Personnel Office. Applicants who desire to join the Employees Mutual Benefit Society after May 31st would be required to sign waivers on any physical disabilities which they may have (all persons accepted prior to this have been allowed in the Plan without such waivers). The ready acceptance with which the E.M.B.S. has been greeted by the majority of the LongLac employees at Terrace Bay is in line with the modern trend toward insuring against the days when we may be without any other source of income to meet financial obligations. The Plan will also, in some measure, give insurance and compensation to the many sports-minded individuals who participate in the various sports activities providing recreation at Terrace Bay which carry the element of risk of personal injury due to off duty accident.

LOAM FOR LAWNS AND GARDENS AVAILABLE Following inquiries from a number of the residents of the community, the Company has made plans to distribute suitable loam for making lawns and gardens. Any tenant interested in procuring such loam is requested to apply to the Engineering Office (Local 33), following which a survey of the tenant's grounds will then be made to see what fill and loam is required. As trucks are available for hauling this material, it will be delivered.

LADIES AUXILIARY PLANNING RUMMAGE SALE Another "debut" for Terrace Bay is scheduled to be held in the Community Hall (opposite the Post Office) on Tuesday, June 14th, when a rummage sale will be sponsored by the Community Church Ladies' Auxiliary. A committee has been working now for some time on plans for this special event and the ladies are hopeful that it will be as successful as the many other events which they have sponsored to date. Watch this paper for additional information.
